### DEMOCRATS FOUND IDEAL COMPROMISE CANDIDATE

### Why They Nominated Stevenson

MACC delegates is only one example of how Byrian influence is being used to organise joint Arab action against Israel, in Caire songs about Palestine were song as the crowd applanded the change in government — Najib had won his spure in the Palestine war.

Very likely Gen. Najib will be preased to win glory for Egypt in his dealings with Britain and Israel. If he endosvours lasted to make Egypt face up to the long difficult tasks of seconomic and social development, he will have shown a maturity rare smeng Arab leaders of this century. He is certainly in a better position to attempt it than any of the pB Bticlans he has superseded.
